How to Exercise Plum Payment Options: Each month you must pay at least the Minimum Payment Due by the Payment Due Date. If you satisfy the requirement, you may exercise your Plum payment options for new charges on your statement. If your account is current, the Minimum Payment Due is 10% of the balance from new activity on the statement plus the entire amount of any outstanding deferred balance. If your account is past due, the Minimum Payment Due is the entire New Balance. Early Pay: To earn an Early Pay Discount, you must first pay any previously deferred balance by the Early Pay Due Date. Then, any additional payment(s) that you make by the Early Pay Due Date will earn an Early Pay Discount (as long as you satisfy the Minimum Payment Due by the Payment Due Date). Payments must be made in accordance with the requirements described in the Payments section above. The maximum Early Pay Discount you can earn is 1.5% of total eligible charges on the statement. Your Early Pay Discount will appear as a credit on the next statement. Eligible charges are purchases for goods and services minus returns and other credits on the statement. Eligible charges do NOT include previously deferred amounts, past due amounts, purchases of traveler's checks, purchases or reloading of prepaid cards, or purchases of other cash equivalents. Defer Pay (Extra Days to Pay): To take Extra Days to Pay, you must pay at least the Minimum Payment Due by the Payment Due Date. Then, you can defer the remaining balance until the Payment Due Date on the next statement without incurring interest. Any deferred balance is due by the Payment Due Date on the next statement. If the account is past due, you cannot defer

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.
